In the event the government intends to use such an oral statement at trial, I request that it be reduced to writing and produced. This request includes the substance of the defendant's response to *Miranda* warnings.

I request that, in response to this request for defendant's statements, you ask each law

enforcement agency involved in investigating or prosecuting this case to search its files for responsive information.

2. *Defendant's Criminal Record (FRCrP 16(a)(1)(B))*

Provide a copy of the defendant's criminal record within the possession, custody or control of the government, the existence of which is known, or by the exercise of due diligence may become known to you.

3. *Documents and Tangible Objects (FRCrP 16(a)(1)(C))*

The defendant is entitled to inspect, and/or copy and/or photograph any books, papers, documents, tangible objects, buildings, or places or copies or portions thereof, that are within the possession, custody or control of the government

This request includes any evidence seized as a result of any search, whether or not such search was made with a warrant. Provide a list of these items.

In the event the results of any scientific tests were reported orally to you or to any government official or law enforcement officer, I request that you cause a written report of the results to be made and produced. In complying with this request, please contact any law enforcement agency involved in the investigation or prosecution of this case to determine whether relevant examinations or tests were conducted, and, if so, produce the results or reports.

5. *Summaries of Expert Witness Testimony (FRCrP 16(a)(1)(E))*

In the event you intend to offer any expert testimony under the Federal Rules of Evidence through any witness, including a government agent or other law enforcement officer, I request that you prepare and produce a summary of the witness' opinion testimony, the grounds or basis for any such opinion testimony and the qualifications of the expert witness.

In the event that you believe that any *Brady* material is also *Jencks Act* material, I request that you present it to the court for *in camera* review and advise me of the general nature of the evidence.

F. *Jencks Act Material (18 U.S.C. §3500; FRCrP 26.2)*
